

Love Your Data

DATA MANAGEMENT BASICS FOR STUDIES AND RESEARCH

In our course, you will learn

- why you too have data that you should be concerned about
- what good data management means and why it is essential in studies and research
- how to store, describe and organise data efficiently
- how the publication and citation of data work

12.8.2020 - 14:15-15:45

Virtual room: [meet.gwdg.de/b/tim-fxk-yd6](https://meet.gwdg.de/join/tim-fxk-yd6)
